9. Material group specific questions

If you apply for one of the following material groups, you will get more specific questions:

- Controls and material flow controllers
- Mechanical or electrical installations
- Drawing parts

9.1.1.1 Controls and material flow controllers

Big Profile - Products - Controls and material flow controllers - General

Which manufacturer of PLC equipment are used in the company?

- Siemens
- Beckhoff
- Rockwell
- others, please specify:

Other manufacturer:

Which systems for visualization (HMI, SCADA) are used in the company?

- WinCC_Flex
- WinCC
- Zenon
- others, please specify:

Other system:

Which engineering tools are used in the company?

Which BUS systems are used in the projects?

Big Profile - Products - Controls and material flow controllers - Capabilities & Services
